Academic Excellence

Castlehill provides a rigorous curriculum and individualized instruction to mold the minds and hearts of our children to be the best students and young people possible. Inspiring a lifelong love of learning is the mission of Castlehill and aptly describes the purpose behind our curriculum. Our project-based lesson plans are designed to nurture and encourage our children to develop critical thinking skills and a curiosity about the world around us.

The foundation of our academic program includes math, science, language arts, social studies, and computer applications.

Our low student-to-teacher ratio allows for personalized instruction and feedback. Our team of experienced educators works with parents to provide what each student needs to thrive.

Arts and Humanities

Our well-rounded academic curriculum is further enhanced by dedicated music, art, computer, physical development, and Spanish language instruction. These specialty classes encourage creativity, self-expression, and awareness of our diverse world. Additionally, we take advantage of many local cultural, historic, scientific, and educational institutions to elevate several units of study. A favorite Castlehill tradition is our annual class shows; each class performs a grade-appropriate, much-anticipated musical to an audience of family and friends.

Castlehill at a Glance

Success Beyond the Classroom

Our *Castlehill Builds Character* program strives to instill model character traits in our treasured students - thus creating lifelong exemplary employees, friends, and neighbors. With recognition and incentive practices, our children are encouraged to demonstrate the following qualities when facing challenges and interacting with others: kindness, compassion, integrity, respect, responsibility, and courage. *Wellness Wednesdays* help educate children about how to build and maintain healthy habits - both physical and mental, as well as proper nutrition.

2026 - 2027 Tuition and Fee Schedule

Choosing a private education is a meaningful investment in your child's future—one that provides not only a strong academic foundation, but also a supportive community where they can truly thrive. This decision is a lasting gift, opening doors to personal growth, intellectual curiosity, and lifelong friendships. Below, you will find the tuition and fee schedule for the upcoming academic year, offering a clear and transparent overview of the costs associated with becoming a Castlehill family.

REGISTRATION FEE:

When accepting an offer of admission, all new families must pay a non-refundable registration fee of \$400 per student to confirm their child's enrollment. Returning families pay the non-refundable fee of \$400 per student in January. This fee is in addition to the annual tuition charged.

ANNUAL TUITION – 2025-2026 School Year:

Parents are financially responsible for the full yearly tuition fee to cover the cost of our educational curriculum and specialty classes such as art, music, science and computer skills. The tuition also includes the cost of text books, our annual yearbook, and a red Castlehill shirt for Fridays and field trips. Tuition does not cover the cost of miscellaneous fees such as selecting hot lunch, participating in clubs, and other optional offerings.

	<u>Annual</u>	<u>Semester</u>	<u>Quarterly</u>	<u>Monthly</u>
Toddler/Pre-School (Three Day)	\$6,800	\$3,400	\$1,700	\$680
Toddler/Pre-School (Five Day)	\$7,300	\$3,650	\$1,825	\$730
Full Day Pre-Kindergarten	\$11,900	\$5,950	\$2,975	\$1,190
Kindergarten through Fifth Grade	\$12,500	\$6,250	\$3,125	\$1,250

Tuition costs are reviewed each year. Any change in the tuition levels listed above will be communicated to families in January.

TUITION DISCOUNTS:

Families who elect to pay their child's tuition in full (due on or before June 15) will receive a \$500 payment discount for each child enrolled. Families that are enrolling more than one student will see an annual discount of \$500 for each subsequent student which will be distributed across the number of payments chosen.

PAYMENT PLANS:

For families that choose not to pay their tuition in full, Castlehill offers three payment plans which allows tuition to be spread out over the school year. The options include:

1. Paying in two equal installments (due on or before June 15 and October 15)
2. Paying in four quarterly payments (due on June 15, October 15, January 15 and April 15)
3. Paying in ten monthly payments through the school year (June through March)

EXTENDED DAY OPTIONS: Pre-School – 5th Grade

Before/After Care – Students who periodically require our Activities Program (before and/or after care services) will be able to sign up on a monthly basis to reserve space. Additionally, any last minute needs can be requested by contacting the office. This program is available from 7:15 AM – 5:30 PM each school day (not on scheduled half days). This service is billed at \$12.00 per hour. Children picked up after 5:30 PM will be billed overtime charges of **\$5.00 per minute**.

After School Clubs – Castlehill students are able to register for a variety of after school clubs (grouped by grade levels) throughout the school year. Club offerings change each trimester and they are generally run by school teachers or staff members and payment is sent directly to the club instructors. Sample clubs include: STEM, Lego, Digital Art, Chess, Jr. Science, and more! Club costs vary, but can be estimated at \$20 for each 1 hour weekly session.
